Practice CD's

NPDC is a member of ASACP (American Society of Composers, Authors and Publishers), therefore we are legally authorized to copy and offer practice CD's for our dancers to use at home.

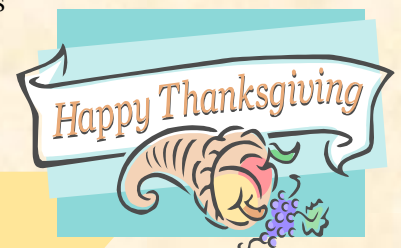

Copies have already been distributed to some of the dancers. All dancers will receive a CD of their routine music by December 1st. We think this will be a beneficial practice aid throughout the year for each dancer. Please encourage your dancer to practice

Nutcracker Performances

Miss Karissa, our ballet instructor will be performing in the "Nutcracker" at the Bloomington Center for the Arts. This production is presented by the Continental Ballet Company, under the direction of Riet Velthuisen. Performances are: November 26th, 27th & December 3rd at 3:00 pm and November 26th & December 3rd at 7:30 PM. Tickets may be ordered by calling 952-563-8562. This is a great way to celebrate the holidays and also watch one of our own instructors dance in this traditional holiday classic. Hope many of you can attend!

Feeling gratitude and not expressing it is like wrapping a present and not giving it.
~ William Arthur Ward

As we celebrate this time of Thanksgiving, the staff at NPDC would like to express our gratitude to those enrolled in our dance program. Each dancer is a blessing to us! Thank you for sharing the gift of your children!

Have a blessed Thanksgiving!
